

**The Ninth International Symposium on
Naturally Occurring Radioactive Material
23-27 September 2019 · Denver, Colorado**

Save the Date

23-27 September 2019

The Conference of Radiation Control Program Directors, in association with the International Atomic Energy Agency (IAEA) is organizing the Ninth International Symposium on Naturally Occurring Radioactive Material.

Denver, Colorado will be the host city. This is the first time the International NORM symposium will be held in North America. The Symposium will be located at the Embassy Suites by Hilton in Denver.

Join with Industry, Scientists, Regulators and other Stakeholders in Denver, Colorado, USA. Learn how NORM is managed around the world and discuss safety and environmental impacts from NORM as well as best practices for Management.
