

Friendly Reminder: NORM Workshop ENA 2020

As you know, the next **ENA Workshop** will be held on **20-22 October 2020 in Vienna** and hosted by AGES (Austrian Agency for Health and Food Safety).

The three-day workshop will not only provide a highly stimulating update on the state of the art by experienced experts but also offer plenty of time to exchange experience, discuss aspects of interest and network.

Based on the three main working groups of ENA that are currently existing, “NORM in the Industry”, “NORM in Building Materials”, and “NORM in the Environment”, the focus of the conference will be on these topics, also including sampling and analysing, waste and residue management and regulatory aspects.

Abstract submission

Abstracts related to above mentioned topics can be submitted as either oral or poster presentations. All abstracts must contain at least 250 words and consist of three sections: problem formulation, research/discussion and conclusion. Contributions must be in English.

The deadline for submission of abstracts is 1st March 2020.

Abstracts can be submitted for oral presentations and posters through the AGES conference website or to the email: ena2020@ages.at

The template for Abstracts can be found on:

https://akademie.ages.at/ena_workshop_2020/downloads.html.

ENA encourages especially young professionals to submit an abstract. The best presentation by a young professional will receive the ENA Award which in 2020 will be a “Vienna Philharmonic” gold coin.

Registration fees

Registration fee workshop (including social events):

- non ENA members: 400 €
- ENA members: 350 €

Training courses are free of charge for registered participants.

Special group tour through the AKW Zwentendorf (fee: 40 €)

Since the number of participants is limited to 50, we will plan according to the First Come First Service principle.
